

July 20, 2023

Dear Community Connectors Grant Review Committee,

I am writing on behalf of the West Cervantes Coalition, an association of citizens, businesses, and neighborhoods working toward a safer, more equitable, more beautiful Brownsville.

We are pleased to express our strong support for the Bluffline project, a visionary initiative that aligns with our own mission and values. The Bluffline project would significantly enhance the connectivity of our community, providing residents with improved access to key destinations such as job centers, schools, parks, and the waterfront.

We believe this project would also contribute to the sustainable physical, environmental, social, and economic development of our neighborhood and empower our residents and business owners to become more involved in community affairs, thereby strengthening our unified voice.

We look forward to partnering with the Bluffline project team and other stakeholders to make this vision a reality. Thank you for considering our support in this matter.

Sincerely,

A handwritten signature in black ink that reads "Mike Kilmer".
